SUBJECT:-- Beaulieu - Insurance.

With reference to your letter No. 3804/W dated the 2nd April 1943, I have the honour to forward herewith copy of a letter No. 156/2/73/177/Q dated 6/7-7-1943 from the Military Head Quarters on the above subject.

The Military authorities have suggested that the building may be insured against fire by the Mysore Government and that the charges will be paid by the C.M.A. Southern Army to the Mysore Government on presentation of the bill supported by vouchers on payment of premium.

I request the favour of your obtaining very early orders on the subject.

I have the honour to be,
Sir,

In continuation of this HQ. letter No. 156/2/73115/Q dated 15-3-43 and your No. CLO. 383/43-43 dated 22 March 43 and 14 April 43.

1. I am directed to inform you that a decision has now been received from G.H.Q. to the effect that in view of the present policy in regard to private property offered to Government for military use, it is - regretted that it is not possible for the Defence Department to -- accept any liability for any damage - including eneby action, which may arise regarding the above named building which has been loaned to the military.

2. It is however admitted that the building in question should be insured by the military against fire.

The Mysore Government are accordingly requested to insure the building and pay the premium to an Insurance Coy to be selected by them. These charges will be paid by C.M.A. Southern Army to the Mysore Government on presentation of the bill duly supported by the receipt given by the Insurance company and submitted through the Garrison Engineer, Bangalore who will keep a record of these recurring charges.

3. As intimated in my above quoted letter the present value of the building is estimated by the Rajakumariyavaru to be Three Lakhs. -- The premium for fire insurance at 3¾ annas per Rs 100/- per annum will therefore amount to Rs 700/- per annum.

Please inform the owner of this property of G.H.Q's decision and take action as requested.

Subject: " BEAULIEU"--INSURANCE.

Sir,

With reference to your letter No. W. 160 dated 30-7-43 on the above subject, conveying the instructions of Government to inform the owner about the suggestion of the military authorities, I have the honour to state that the owner was accordingly informed through the Supervisor of Beaulieu- Mr. H.K. Srinivasa Iyengar, that immediate steps might be taken by the owner to get the building insured against fire, and that the military authorities would meet the entire charges on this account. But Mr. H.K. Srinivasaiengar has replied on behalf of the owner, that the Rajakumariyavaru cannot make any declaration about the military or hazardrous stores in the building over her signature; that the building is in the occupation of the British Military and therefore, it is for the military authorities to insure the property against fire. A copy of his letter No. D.O. 8/43 dated 16-8-43 is herein enclosed for perusal and early orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Commissioner.

" BEAULIEU" INSURANCE.

With reference to your demi official letter No. C.L.O. 383/42-43 dated the 10th August 43, about the insurance of "Beaulieu" against fire, I am directed to state that the property is in British Military occupation and it is therefore for them to insure the property. The Rajakumari can make no declarations about the Military or hazardous stores in the building over her signature nor can she enter into a controversy with the Insurance Company, as regards the payment of the insured amount, in case of objections, if any, raised by the comapany later. The British Military will have to enter into an insurance contract with a Fire Insurance Company and get the insurance amount from such company and pay it to the owner, in case of damage. The Rajakumari has clearly explained to the Hon'ble the Resident that ordinarily she would not have insured the property as it was sufficiently protected against fire. It is because the occupation of the property by a large party of people might cause a fire accident, that she has agreed to the property being insured by the British Military against fire.
In the circumstanees no question arises of the Rajakumari herself arrangeing for the insurance of "Beaulieu".
